Installation of additional security devices or additional rekeying or replacement of security devices desired by Resident may be paid by Resident in advance in accordance with the Property Code and may be installed only by contractors authorized by Landlord. If Resident vacates the Property in breach of this Lease, Landlord may deduct from the Security Deposit reasonable costs incurred by Landlord to rekey doors and security devices.
- d. Smoke Alarms: State law requires the Property to be equipped with smoke and carbon monoxide detectors in certain locations. Requests for additional installation, inspection, or repair of smoke alarms must be in writing. Resident agrees to keep, test, and maintain both safety devices in good repair. Batteries may not be removed from the smoke detector or carbon monoxide alarms unless inspection and/or maintenance of the devices make it necessary to do so. Resident further agrees to give immediate written notification to Landlord if the safety devices malfunction or are missing. These responsibilities are in effect throughout Resident's occupancy. Disconnecting or intentionally damaging a smoke alarm or removing a battery without immediately replacing it with a working battery may subject Property Management replacement fees and subject Resident to civil penalties and liability for damages and attorney fees.

20. MOVE-OUT PROCEDURES.

- a. Resident shall give Manager at least thirty (30) days prior written notice of Resident's intent to vacate the Premises. Resident's notice to vacate shall specify the date that Resident will vacate ("Vacate Date") and such date shall not be less than thirty (30) days from the date Resident gives notice, and shall not be for a date prior to the end of the Lease term.
- b. Regardless of when Resident gives notice, Resident agrees to pay Landlord rent for the entire notice period regardless of whether Resident occupies the Premises for the entire notice period. Landlord agrees to prorate the rent owed by Resident for any part of a notice period that constitutes a partial month for which another Resident has paid Landlord the rent.
- c. Resident's notice to Manager shall be effective if executed by any Resident who executed this Lease, regardless of whether any or all other Residents who executed this Lease sign the notice. Resident's notice of intent to vacate shall only be effective on the date the notice is received by and receipted for by Manager. Resident agrees to personally deliver any notice to vacate to Manager to guarantee the effective date of any notice.

- d. If Resident fails to give the required notice to vacate, Resident agrees that the amounts agreed to be paid by Resident in such event represent a fair amount to allocate the numerous risks and liabilities between Resident and Landlord. Resident shall pay all amounts set forth in this paragraph, in addition to any other amounts owed by Resident under the terms of this Agreement. However, if Resident is liable for a Lease Break Fee due to a lease break in accordance with paragraph 4 (d), Resident shall not also be liable for lack of notice.

21. PREPARING FOR MOVE-OUT.

- a. Upon receiving your Notice to Vacate, Manager may schedule a Pre-Walk Inspection within the first few days so that we can tour the property and identify any issues for which you may be responsible, as well as those items for which we may need to get estimates (i.e., paint, carpet, major repairs). At this time, a sign and lockbox may be placed on the property for marketing purposes. Residents shall cooperate with showings of the property for rent or sale. During this time, Residents agree to keep the property in a clean and orderly manner.
- b. We advise you to take care of any repairs or services that are your responsibility prior to vacating the property. Move-Out Procedures are included in your Resident Handbook along with the estimated costs of services and repairs, for which you may be held accountable. The Resident Handbook will be delivered electronically, however, Resident may request a printed copy.
- c. This Lease Agreement authorizes Management to place on the property a key box containing a key to show the property during the final 90 days of your Lease to market for new Residents or at any time the Landlord lists the property for sale.

- b. Final Day of Occupancy --Resident agrees that the final day of occupancy will be the day that all keys and any remotes are delivered to Management. Resident is NOT to leave the keys, or any remotes, at the Premises. Resident shall not have vacated and surrendered possession of the Premises to Landlord until and unless Resident has either turned in all Keys to Premises and Manager has acknowledged receipt of Resident's keys or Resident has abandoned the Premises in Manager's reasonable judgment. If Resident fails to turn in Keys, Resident agrees that Manager will determine in Manager's reasonable judgment the date Resident vacated and surrendered the Premises for purposes of determining damages in accordance with this Lease and the law. In case the Keys are not returned to PMI Grand Visions by the last day of the month, Residents will be held responsible for payment of 1/30th of the monthly rent per day until the keys are received by Management.
- c. If Resident is in default, Management may use the Security Deposit or any portion thereof to cure the default or to compensate Management for all damages sustained resulting from Resident's default.

- f. Within forty five (45) calendar days after Resident has vacated the Premises and provided a forwarding address to Manager, and complied with the Agreement, Management will give Resident an itemized, written statement of the reasons for, and the dollar amount of, any of the Security Deposit retained by the Management, along with a check for any Security Deposit balance due and owing to the Resident.
- g. If a balance is owed by the Resident, Resident agrees to pay the balance in full within ten (10) calendar days, or the account may be subject to collections or lawsuit.

Resident agrees and acknowledges that the insurance mandated herein is not a renter’s insurance policy and does not cover any of Resident’s personal belongings, additional living expenses, or liability arising out of bodily injury or property damage to any third party.  - ii. Revoking Resident's right to occupy the Property by providing Resident with a written notice to vacate without notice or demand, Landlord accelerating all unpaid rents which are payable during the remainder of this Lease or any renewal period; and/or
 - iii. Resident being liable for any lost rent, Landlord's cost of reletting the Property (including but not limited to leasing fees, advertising fees, utility charges, and other fees reasonably necessary), all costs associated with notices or eviction (including but not limited to attorney's fees and

28. ABANDONMENT:

- a. Resident covenants to occupy the Premises and shall be in default if Resident does not occupy the Premises on a regular, continuing, and consistent basis, unless otherwise agreed to by Landlord in writing. State law governs whether Resident has abandoned, as evidenced by the return of keys, the substantial removal of the Resident's personal property, notice by the Resident, or the extended absence of the Resident while rent remains unpaid, any of which would cause a reasonable person to believe the Resident had permanently surrendered possession of the dwelling unit.
- b. Resident also abandons or surrenders the Premises 30 days after the death of a sole Resident. If Resident abandons the Premises or vacates the Premises for any reason and leaves personal property within the Premises, Resident intentionally, specifically, and irrevocably waives all title and interest Resident has to such property and grants to Landlord full authority to immediately dispose of same without notice, court order, or accountability.
- c. Resident shall indemnify Landlord, and Landlord's employees and representatives, against any claim or cost

30. CASUALTY LOSS OR CONDEMNATION.
